Network of Christian Peace Organisations Craftivism project

Thank you for taking part in this important project – seeking to remind the UK government of its international obligations to negotiate the elimination of nuclear weapons, even as they plan to increase the cap on the number of nuclear warheads held in the UK stockpile by 40%.

Practical details

- To help keep everything in proportion we're asking that all text is around 4 inches (around 10cm) in height on a piece of fabric which is 6 inches (around 15cm) in height (see template)
- The deadline for receiving contributions is Friday 7 January 2022 – to give time for the quilt to be made before the launch event.
    - Please post your contribution to Christian CND, 18 Ashwell Street, Nottingham, NG4 2FQ
- The quilt will be used as part of a publicity event outside the Foreign and Commonwealth Office – ahead of the Nuclear Non-Proliferation Treaty Review Conference – please put the date in your diary as we would love to have you stand with us on the day.
- We're recording feedback from participants which we hope to turn into a reflective resource. If you would like to be included, please complete the form below when you send in your piece.
